Southern Wells 1966-?

Chester Township Schools

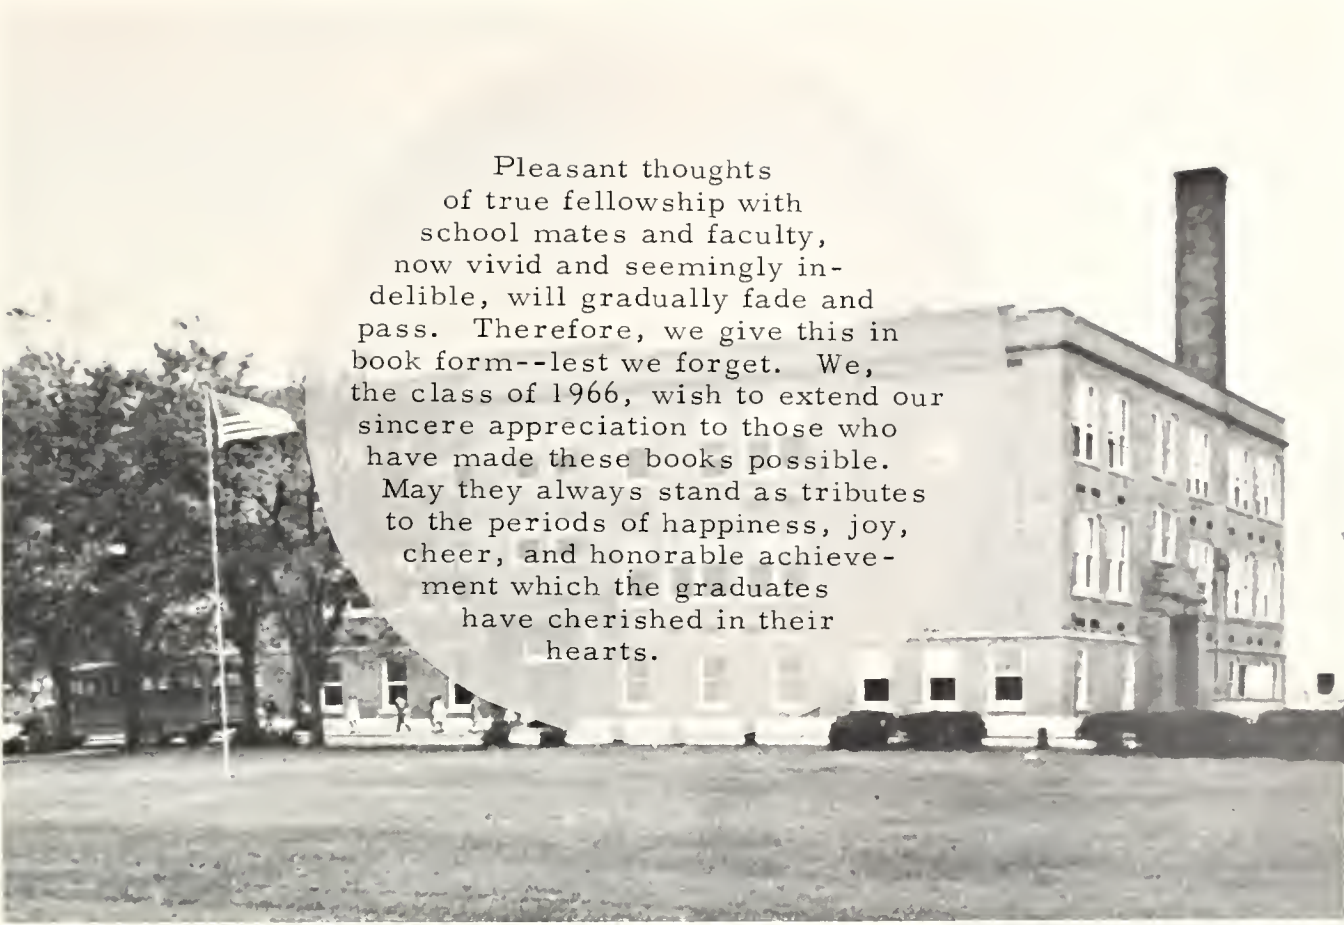

The consolidated school building at Chester Center was the outgrowth of a need that had existed since the old building at Keystone was condemned for high school purposes in 1919. Actual construction work was not begun until the spring of 1922 by contractors, Gordon and Reiff, of Liberty Center, under the direction of Architect Everett I. Brown of Bluffton. Labor troubles hindered the work considerably during the first season, but by the time winter set in, the building had been enclosed and roofed. Work was resumed early in the spring of 1923, and the building was completed and occupied for school purposes on September 24, 1923. At that time, students from ten other Chester Township Schools were consolidating into one school which was called Chester Center. Those ten one-room schools were: McCallister, Slocum, Noe, Red, Chester, Gavin, Maddox, Shields, Five Points, and Keystone.

The building was one of the largest and most completely equipped in the county, and one of which the good people of the township were justly proud. The grounds were improved and beautified during the summer of 1924.

The members of the first graduating class were: Doris Arnold, Myrtle Brinneman, Chauncey Ladd, Mary Minnich, Gladys Smith, and Ruth Weaver. The members of the last graduating class are: Rose Abner, Michael Frantz, Cathy Hamilton, Dennis Hendricks, Lee Hilkert, Dedria Johnson, James Johnson, Charlene Katte, Karen Keller, Lamoine Nusbaumer, Jackie Riesen, Mike Sutton, and Judy Walker.

During the 1956 school year a new Agriculture Building was erected near the present Chester Building.

In the November election of 1962, the four southern townships of Wells County voted to consolidate their schools. On January 1, 1963, Chester Center, Liberty Center, Jackson Center, and Petroleum became known as the Southern Wells Community Schools.

Pleasant thoughts
of true fellowship with
school mates and faculty,
now vivid and seemingly in-
delible, will gradually fade and
pass. Therefore, we give this in
book form--lest we forget. We,
the class of 1966, wish to extend our
sincere appreciation to those who
have made these books possible.
May they always stand as tributes
to the periods of happiness, joy,
cheer, and honorable achieve-
ment which the graduates
have cherished in their
hearts.

As the 1960's began to unfold, consolidation and reorganizations of schools were main topics of discussion. The State Department of Instruction was re-evaluating each school in the state and requiring immediate changes.

Verlice Crosby was elected as trustee to head the school board in the 1960 elections. Jim Ogle, Kenneth Kennedy and Ward Showalter were elected to the Chester Advisory Board to help advise on school affairs.

In the spring of 1962 the four southern townships of Wells County-- Chester, Jackson, Liberty, and Nottingham re-organized into Southern Wells Community Schools and a new School Board was appointed. Those forming the first Southern Wells Board of Education were Ward Showalter, Charles Day, Donald Williams, and Howard Baker with Lloyd Biberstine chosen as superintendent of the school.

Bill Payne, who was named principal in 1957, continued as the Chester principal through the 1965-66 school year.

Soon after Chester became a part of Southern Wells, a Ball State Survey Team headed by Dr. Merle Strom was called in to make a study of the educational needs of the school district. Pictured below is the survey team and a community discussion session.

Many high points throughout the school year have been anxiously awaited by Chester students. The elementary children dress for their annual Halloween party in the gymnasium. Preceding the party, they would parade through the high school class rooms to be viewed by the students.

The Student Council scheduled special convocations during the year which were enjoyed by the entire student body. Pictured below is Mr. Hansen and his bird show.

Junior class members nervously awaited their stage debut in the annual Junior Class Play. Then as they readied for their Senior Class Play, they were "old pros" and would inform the play director how it should be done.

The seniors each year looked forward to their Senior Trip. This annual affair was inaugurated in the late forties and continued through the '66 school term. Magazine sales, sock hops, raffles, Christmas card sales, bake sales and other campaigns were used to raise the necessary funds.

Pictured below is a group in front of the Nation's Capitol Building and in a United States senator's office.

Athletics have always played a very important part in the Chester educational process. Chester teams continued to battle the opposition throughout the sixties although not winning any tournament crowns. Since the Chester gymnasium was last used for high school games in the mid fifties, it was necessary for Chester athletes to play their home games at Roll, Montpelier, Poplar Grove, and Jackson.

A feature of the basketball season was the annual Homecoming Game which included the crowning of the Homecoming Queen. This ceremony was begun in 1955 and the following girls were Homecoming Queens:

1966
Karen Keller

1965
Connie Haines

1964

1959

Another feature of the Homecoming Game was the special guests who came home. Pictured below are Chester Center Coaches who were in attendance at the 1964 affair.

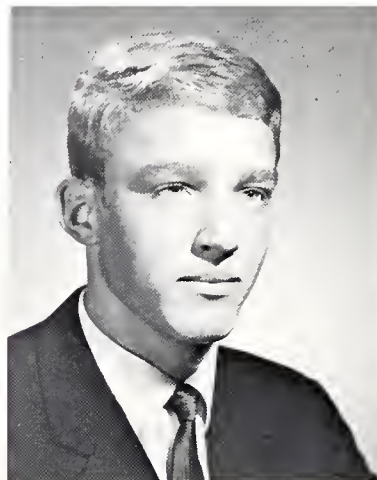

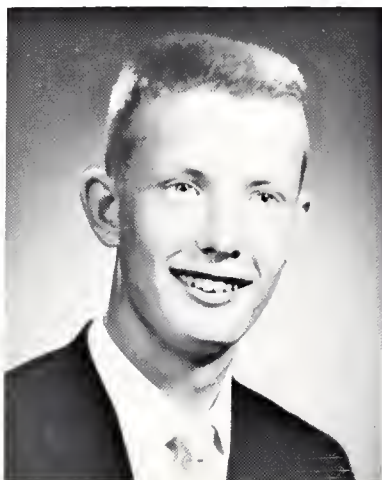

Ralph Huddleston, Clete Johnson, Eldon Carnes, Bill Payne, Owen Wernhoff, Dave Craig, Keith Showalter, Al Spandau, Bob Baumgardner, and Oscar Diehm.

Also, the oldest graduates in attendance at the affair were presented gifts. Pictured below is Principal, Bill Payne, presenting gifts to Mrs. Charles Wolfe and Robert Shively.

Chester students were privileged to have two guest students from foreign countries during two school terms. Pictured below are Matti Vasama of Finland (1960) and Hans Ebel of Germany (1965).

The Chester School is indebted to Dr. Paul Burns for the generosity and services accorded the graduates for the past nineteen years. Mr. Burns has awarded scholarships to the girl and boy with the highest scholastic average for the four years of high school.

The recipients of these scholarships were:

	1966 Judy Walker Lamoine Nusbaumer	
1965 Marilyn Gaiser Bill Morris	1959 Carolyn Canady Dee Harold	1953 Norma Woodard Paul Zimmerman
1964 Judy Wood Dick Shannon	1958 Rose Marie Blair Richard Watkins	1952 Carolyn Musselman Robert Dalton

This painting was presented to the school by Mrs. John Nestleroad in memory of her granddaughter, Deborah Harris, and her daughter, Susan Harris, who were victims of the Palm Sunday tornado which struck Chester Township April 4, 1965.

We also dedicate this memoriam to all deceased graduates of Chester Township.

SECOND ROW: Noel Gaiser, Peggy Glessner, Thomas McGeath, Arden Hamilton, Donna Sharpe, Mona Mounsey, Catherine Miller. THIRD ROW: Donna Habig, Mac Farlow, Lloyd Bennett, Thomas Harter, Janet Nusbaumer, Robert Ewing.

As the 1950's moved in on the scene, Ed Cochran was trustee and his Advisory Board consisted of Ed Carmichael, Leslie Hamilton and Charles Crosby.

In the 1952 election Thurl Rogers was elected trustee to head the Chester School Board. Joe Pond, Olin Gilbert and Charles Crosby were elected to the Advisory Board.

Then in the 1956 election, Glen Jamison was elected trustee with Ward Showalter, Vick Mounsey and Kenneth Kennedy elected to the Advisory Board.

Huber Settle, who became principal in 1941, was principal of the school until the fall of 1957. William Payne, former Indian coach, succeeded Mr. Settle as principal of the school.

Since the school did not have a secretary, senior girls who were majoring in the business field worked in the school office one period each day. Pictured below are a group of office workers.

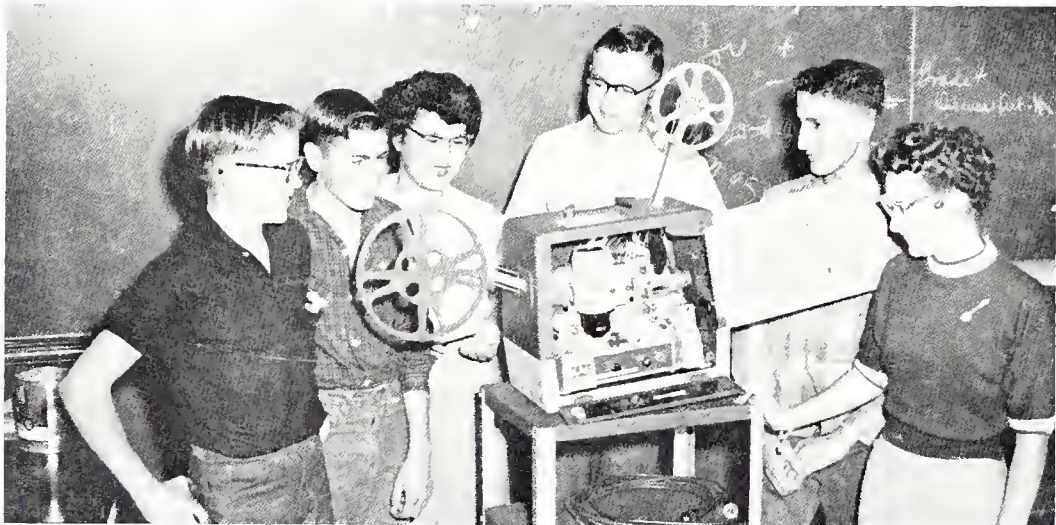

Sue Michael, Emma Hunt, Marilyn Ford, Jean Cheesman, Mary Farlow, Helene Schortgen and Cynthia Apt.

Students also worked in the cafeteria. Most students enjoyed this particular duty since this entitled the workers to "seconds."

Many films and other visual aids were involved in the educational process each year. Pictured below is a group of film projector operators.

The library facilities were quite limited at the school. Students were permitted to use the Bluffton Library and the Bookmobile which visited our school each week. Students manned the library located at the rear of study hall. Pictured below is a group of student librarians.

Chester basketball teams played their home games in their own gym until the late forties. Then many games were shifted to other local gyms due to the small floor and seating capacity of the Chester gym. The last high school basketball game played in the Chester gymnasium was during the 1954-55 season. The Chester "B" team under the guidance of Bill Payne won their own invitational tournament.

Robert Baumgardner led his 1956-57 team to the championship of the Montpelier Blind Tourney. Pictures of the 1954-55 and the 1956-57 teams are shown below.

The school paper and the yearbook were published by the Journalism class which consisted of seniors.

The first yearbook was published during the 1924-25 school year and was called the "Memento." The staff included: Ethel Ladd, Eldon Carnes, Fred Park, Carrie Kimmel, Yolanda Perry, Vera Pinney, Catherine Starr, Elizabeth Burns, Harold Clark, Stanley Terman, Ruby Grove, Ruth Ann Worster, and Nelson Huffman.

After three publications the yearbook was discontinued and revived again during the mid forties. The book became known as the "War Whoop" and publication continued through the 1965-66 school year. Pictured below is the 1953-54 Journalism Class.

As the 1940's rolled around the Chester School was still standing but shaking from the previous ten years of wear and tear.

Wayne Lee, who became the principal in the fall of 1938, was the principal through the 1941 school year. Huber C. Settle became principal in the fall of 1941 and remained through the 1940's.

Everett Carnes was reelected to his second term as trustee in 1940 and served through 1944 as the school's chief administrator. Advisory Board members serving with Mr. Carnes were Harold Carter, Joe Pond and Jess Miller.

Then in the election of 1944, Edward Cochran was elected to head the Chester School board. Also, elected to the advisory board were Ed Carmichael, Leslie Hamilton and Charles Crosby.

In the 1948 election Edward Cochran was re-elected to head the school board. Charles Crosby, Herman Osborn and Win Noe were elected as advisory board members to help with the administration of school affairs.

Chester athletic teams were doing quite well up to this time, but sectional crowns had eluded them. As the new decade rolled around things were about to change as far as tournaments were concerned.

Keith Showalter, a 1933 Chester graduate, was coaching the Indians during the 1939-40 season and the drought came to an end as the Indians beat Liberty Center 28-27 to win their first Sectional Crown.

Left to right: Principal Wayne Lee, Ralph Gilbert, Ernest Cochran, Eugene Couch, Ward Showalter, Keith Showalter - Coach. FIRST ROW: Wayne Hamilton, Arden Kunkel, Bill Carnes, Bob Rogers, Elmer Bennett, Calvin Lincoln.

The ball used by the Champion Indians is shown at the right.

Cletus Johnson followed Keith Showalter as coach of the Chester Indians, and led them to their first County Championship in the 1941-42 season. Pictured below is the championship team.

TOP ROW: Jack Carnes, Bob Slentz, Bob Carmichael, John Hamilton. MIDDLE ROW: Maurice Simpson, Bud Lincoln, Wayne Hamilton. BOTTOM ROW: Dick Riggs, Dick Burns, and Wilbur Shadle.

Since World War II was hitting the country's man-power very hard at this time, many coaches and teachers were called into service. School officials were unable to find licensed coaches at this time so the Chester agriculture teacher, Oscar Diehm, took over the coaching duties. Mr. Diehm did quite well as he led his 1943-44 team to the Wells County Championship. Pictured below is the 1943-44 team.

FIRST ROW: F. Meyer, D. Reff, Bill Pearson, H. Meyers, T. Wamsley. SECOND ROW: Coach Diehm, M. Simpson, L. Bennett, J. White, B. Myers, R. Carmichael, H. C. Settle.

Again the following year Coach Diehm led the Indians and this time they won the Sectional tournament. Pictured below is the team.

TOP ROW: Joe Gephart, manager; Oscar Diehm, Huber Settle, Jim White, manager. MIDDLE ROW: Bob Riggs, Frank Hart, Bob Myers, Lloyd Carter, Dick Carmichael. FRONT ROW: Paul Carnes, Dean Mounsey, Alfred Pearson, Bob Murray, and Bill Pearson.

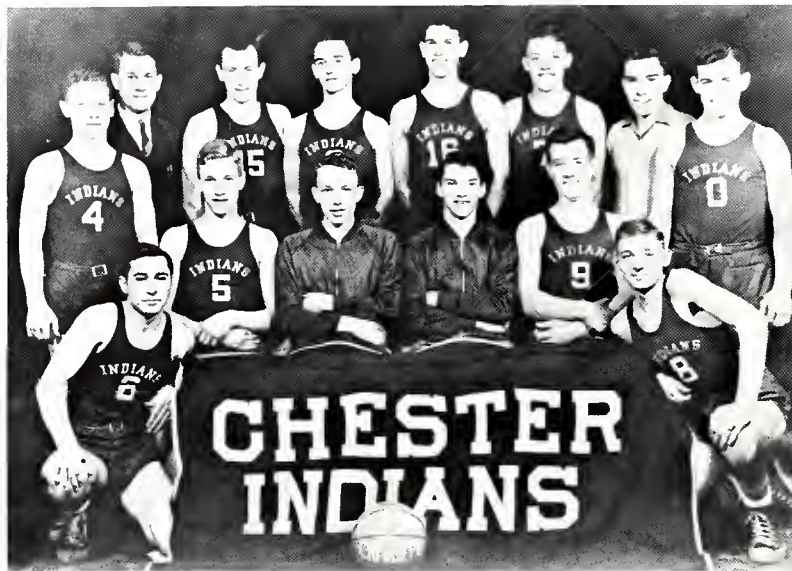

After World War II was over Coach Diehm returned to his former job of agriculture teacher. Since Mr. Diehm took over coaching due to necessity, he had one particular slogan that he used to give the boys more drive. When the boys left the huddle to start the game, he would state "Remember Pearl Harbor." Mr. Diehm will always be associated by his former players with this slogan.

Albert Spandau replaced Mr. Diehm and led the Warriors to Sectional Championship in 1946-47 and a County Championship in 1947-48. Pictured below are these teams.

FIRST ROW: L. Huffman, B. Riggs, E. Grimm, A. Pearson. SECOND ROW: O. Weatherholt, J. Sleppy, D. McDonald, D. Shadle, E. Keller. THIRD ROW: M. Van Camp, J. Teagle, B. Fuller, J. Gilbert and Al Spandau.

FIRST ROW: Elmer Keller, Joe Gilbert, Arden Hamilton, Jack Myers, Don McDonald, Kay Mounsey. SECOND ROW: Olan Weatherholt, Coach Al Spandau, Joy Teagle, Bill Fuller, Gene Dawson, Tom Harter, Donald Gephart, Manager, Joe Sleppy.

Pictured at the right is the trophy won by the 1947 team coached by Al Spandau.

There are always many activities to attend during the school year and the early forties was no exception. During World War II rationing of gasoline and tires caused a great handicap on students as far as transportation was concerned. Unless you had extra coupons, a bicycle, your thumb or your own two feet came in very handy for transportation.

As the weather changed in the spring, cameras came out and some of the school's activities were snapped.

The economy of the county was moving very slowly as the 30's entered upon the scene. The Great Depression was in full swing and was keenly felt all over the country. Chester students and their families felt the "money pinch" as well as anyone else. Although money was quite scarce, and luxuries at a minimum, this didn't dampen the enthusiasm and spirits of the many students walking around Chester High halls.

T. P. Charles was the school principal through the 1930-31 school year. Then in the fall of 1931 Hugh Tate took over the reigns of the school and was principal through the 1934 school year. H. R. Brunegraff was the principal during the 1934-35 year, and he was replaced by Hobart Black in the fall of 1935. Mr. Black remained as principal until the fall of 1937, and then Wayne Lee finished out as principal through the 30's.

John Osborn was elected trustee and served through 1932 with Carl Huffman, James Ogle, and Herschel Gilbert as his advisory board.

In the 1932 election Calvin Shadle was elected trustee. Cleophas Myers, Francis Gilbert, and Curtis Arnold were elected to the advisory board. Mr. Arnold died during his term of office and was replaced by James Thomas.

In the 1936 election, Everett Carnes was elected trustee of Chester Township. Those selected as Advisory Board members were Joe Pond, Harold Carter and Omar Smith.

Chester athletic teams were very active as they participated in basketball, softball, and track. The Indians won their first tourney in 1936 when they won the Montpelier Blind Tournament. Pictured below are the only available pictures of basketball teams during this period.

1934-35

Chester has had two school songs. The first was written in the fall of 1923 and is as follows:

In the galleries of memory,
There are pictures bright and fair
But the ones of Chester High School
Are the brightest ones that are there.
Alma Mater, how we love thee,
With a love that ne'ar can fade
And we feel we owe a debt to you
That never can be paid.

Then in the fall of 1936 the students desired to change the song and under the leadership of Dorothy Burns the following song was arranged and was used through the school year 1966.

Cheer, cheer for old Chester High.
Grab up the ball and throw it through the goal.
While our fans sit watching near,
Oh, yell like Indians while you're here.
Whether the score be less than theirs;
Baskets will ring from everywhere,
While our Indian Braves are playing
Better to win this game.

Chester students were also doing fine in other academic and extra curricular activities.

In the Wells County Safety Contest, Chester dominated the affair and won the huge trophy. Warren Adsit won the contest in 1936 and 1937 and Marianna Nusbaumer won in 1938.

Betty Schmidt won a very nice trophy for the school as she won the W. C. T. U. Contest in 1938.

Chester School received another nice trophy in 1943 as Clara Burns won the top journalism trophy for the district.

Chester Township has been very fortunate in securing willing, sincere, and patient men as school bus drivers throughout the years. These men have played a very important part in the education of our youth. Below are these devoted men who served between the years 1931 and 1966.

Since the present Chester Center School was completed in the summer of 1923, many eager pupils awaited for that first day in the new school.

Pupils were greeted by their new busses (1) which usually were entered from the rear. After delivering the students, the busses were parked near the school house for the day. (2)

Since the grounds had not been completed, students were forced to use board walks to get to the school and boards were also used as sidewalks. (3) (4)

After arriving at school, the students were greeted by their new principal, Walter Krich, and the 1923-24 faculty. (5)

Once the school year was under-way many activities and clubs were planned for the students.

The Home Economics classes under the direction of Madge Cassell were very enthusiastic as they studied Homemaking. (6)

Athletic schedules were soon arranged by Coach Huddleston and many anxious young men answered the call to battle to carry the Chester Center banner. (7) All athletes eagerly awaited for the day when award sweaters were awarded. (8)

Basketball for girls was arranged when Dave Craig took over the coaching chores for Chester, and it wasn't many years until the Squaws were county champs. (9)

- 30--Sophomores show class spirit by displaying the cream and lavender. Senior boys win tourney.
- 31--Physics class tests the speed of sound.

The Chester Center School was guided by trustee O. F. Tate during the years 1920 to 1928. His advisory board consisted of Win Noe, Otis Starr, William Twibell, and Lyman Zehner.

In the 1928 election John Osborn was elected trustee. Herschel Gilbert, Carl Huffman, and James Ogle were elected to the advisory board.

Walter Krick was the first principal of the Chester Center Consolidated School. He was followed by Cary Mounsey who relieved Krick before the 1924-25 school year. T. P. Charles replaced Mr. Mounsey before the 1928-29 year.

Students were very anxious to see the large snow falls so that an added vacation might be taken. Boys might be found loitering at Keystone (20), or perhaps they were helping with the butchering (21), seed corn selecting (22), hauling livestock to market (23), or just plain "skipping" (24). Anyway, these were the excuses given the principal.

The Keystone School was built during the years 1898-99. This was a big, modern constructed building housing grades 1 through 12.

Distinction came to the town of Keystone through sports. In the early 1900's the Keystone football team was unbeatable and the basketball team won the State High School Championship in 1901 by defeating Muncie. There was no State Athletic Association at this time and games were played mostly by invitation. All reports state that Muncie residents were a little unruly after the Keystone boys defeated their team and rumors stated that the team was very happy to leave the town in "one piece."

Basketball was introduced at Keystone, the first in Wells County, by County Superintendent A. R. Huyette, who became principal of the Keystone School.

The girls and boys were no different than those of today in many ways. They enjoyed activities, parties, and their vehicles. Some available pictures are shown on the next page.

Last but not Least

The reader is now nearing the end of Chester's history concerning the school life of 1898-1966, but do not close the book until you have read every advertisement in the latter part of it. The advertisers have made these books possible, and we are grateful for the interest they have taken in us. We have given our best in the preceding pages, and they have given their best in the following pages, so all that is left for you to do, Friend Subscriber, is to read and study the advertisements and patronize the advertisers.

We thank you,

THE STAFF.
